B: "If more pages are to be copied, then place the next page face down on the glass."		DISPLAY 6	Iterative procedure for using the BDA
A: Just keep it up until we're finished with the, with the, uh:			
B: Oh, well how do you – she was – she said on both sides, right?			
A: Well that's after we finish getting this (indicating document). We're just getting the originals to stick up here [i.e., RDH].			
B: Oh, you're right, you're right.	*	*
